**PETITION FOR APPROVAL  
OF AMENDMENT TO THE  
INTERCONNECTION AGREEMENT  
BETWEEN BELLSOUTH  
TELECOMMUNICATIONS, INC.  
AND TELEPAK NETWORKS, INC.**

# ORDER APPROVING AMENDMENT TO THE INTERCONNECTION AGREEMENT

The original interconnection agreement between these parties was filed on May 10, 2001 and was assigned Docket No. 01-00422. It was approved at a regularly scheduled Authority Conference on July 10, 2001. The first amendments were filed on July 16, 2001 under Docket No. 01-00620. The Authority approved the first amendments at the September 11, 2001 Authority Conference. The second amendment was filed on December 11, 2001 under Docket No. 01-01101. The Authority approved the second amendment at the February 5, 2002

Authority Conference. The third amendment was filed on May 21, 2002 under Docket No. 02-00590. The Authority approved the third amendment at the July 23, 2002 Authority Conference. The fourth amendment, which is the subject of this docket, was filed on July 30, 2002.

Based upon the review of the fourth amendment, the record in this matter, and the standards for review set forth in 47 U.S.C. § 252, the Directors unanimously granted the Petition and made the following findings and conclusions:

- 1) The Authority has jurisdiction over public utilities pursuant to Tenn. Code Ann. § 65-4-104.
- 2) The amendment is in the public interest as it provides consumers with alternative sources of telecommunications services within the BellSouth Telecommunications, Inc. service area.
- 3) The amendment is not discriminatory to telecommunications service providers that are not parties thereto.
- 4) 47 U.S.C. § 252(e)(2)(A) provides that a state commission may reject a negotiated agreement only if it “discriminates against a telecommunications carrier not a party to the agreement” or if the implementation of the agreement “is not consistent with the public interest, convenience or necessity.” Unlike arbitrated agreements, a state commission may not reject a negotiated agreement on the grounds that the agreement fails to meet the requirements of 47 U.S.C. §§ 251 or 252(d).<sup>1</sup> Thus, although the Authority finds that neither ground for rejection of a negotiated agreement exists, this finding should not be construed to mean that the amendment is consistent with §§ 251 or 252(d) or, for that matter, previous Authority decisions.
- 5) No person or entity has sought to intervene in this docket.

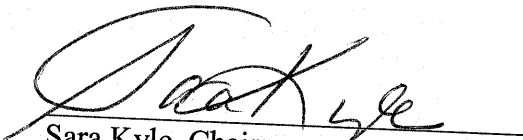

---

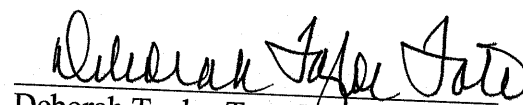

<sup>1</sup> See 47 U.S.C. § 252(e)(2)(B)(Supp. 2001).

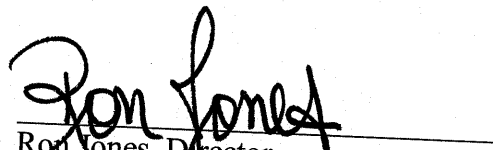

6) The amendment is reviewable by the Authority pursuant to 47 U.S.C. § 252 and Tenn. Code Ann. § 65-4-104.

**IT IS THEREFORE ORDERED THAT:**

The Petition is granted, and the fourth amendment to the interconnection agreement negotiated between BellSouth Telecommunications, Inc. and Telepak Networks, Inc. is approved and is subject to the review of the Authority as provided herein.

  
Sara Kyle, Chairman

  
Deborah Taylor Tate, Director

  
Ron Jones, Director
